

Three Days Online Faculty Development Program
on

“Industrial Special Processes”

15th to 17th February 2021

Through Online Mode

About MGM’s Polytechnic

MGM’s Polytechnic is offshoot institute which is established under the aegis of Jawaharlal Nehru Engineering College Aurangabad. It is affiliated to MSBTE Mumbai, approved by AICTE New Delhi and recognized by Government of Maharashtra. MGM’s Polytechnic embarks its journey of success on the foot-prints of JNEC Aurangabad. This institute has carved a niche in Marathwada region for its quality-oriented technical education in a very short span. Also it is uniquely well known for infrastructure and standards of world class technical education. For the last several years the institute explored avenues in methods of teaching and training which enhanced the relationship between knowledge and its application.

About Mechanical Engineering

It is privilege to introduce our Mechanical Engineering Department. Since 2010 our dedicated and well qualified staff has been imparting quality education and the intake of Mechanical Engineering Branch is 120. In the department we have well equipped and modern laboratories which help students to inculcate technical practical knowledge of program.

(Chairman, MGM)

Hon. Dr. Ankushrao N. Kadam
(Secretary, MGM)

Hon. Prataprao S. Borade
(Trustee, MGM)

Patrons

Dr. Abhay Wagh
(Director, DTE, Mumbai.)

Dr. V.M. Mohitkar
(Director, MSBTE, Mumbai.)

Dr. M. R. Chitlange
(Secretary, MSBTE, Mumbai.)

Mr. A. D. Joshi
(Dy. Secretary, RBTE, Aurangabad.)

Dr. B.M. Patil
(Principal, MGM’s Polytechnic, Aurangabad.)

Organizing Committee

Mr. B. D. Bhalekar
(HOD, Mechanical Engineering)

Co-coordinator

- **Mr. P. K. Ghule** (Lecturer, Mechanical Engineering)
- **Mr. N. D. Bankar** (Lecturer, Mechanical Engineering)

Advisory Committee

Mr. P. G. Kale **Mr. J. A. Siddiqui**
Dean Administration Dean Academics

Mr. Y. U. Rathod

HOD Electrical Engineering

3 Days Online Faculty Development Program

On

“Industrial Special Processes”

15th to 17th February 2021

(Session 1: 10:30 AM– 12:30 PM
Session 2: 02:00 PM– 04:00 PM)

Organized By
Department of Mechanical Engineering

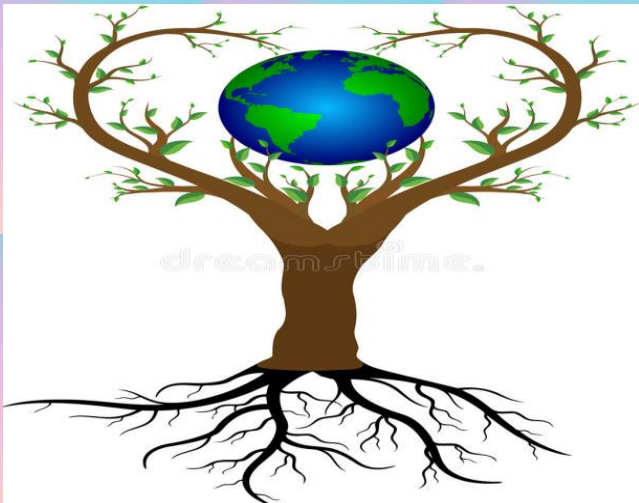

**MGM’s Polytechnic,
Aurangabad**

Program Content's

1. Introduction of Latest Industrial Processes
2. Application of Hydraulic & Pneumatic System in Industry
3. Importance of Surface Coating system & Corrosion Prevention Technology
4. Application of Special Purpose Machines
5. Application of Hydraulic & Pneumatic System in Robotics

Eligibility

FDP is open to Mechanical Engineering Faculty, Research Scholar, UGC, AICTE approved Engineering and MSBTE approved Polytechnic Colleges across India.

Save Tree Save Earth

Resource Persons

1. **Mr. R. U. Salunke** (CEO of Be-Tech Tooling and Automation(I) Pvt. Ltd.)
2. **Mr. Sachin Zote** (Technical Expert in Pneumatic System)
3. **Mr. Chittaranjan Kabi** (M.Tech, M.ECSI, M.QCFI, Founder. Director - KG Associates, Skill Development Academy)
4. **Mr. Hemant Sonawane** (Technical Expert in Industrial Automation & Maintenance)
